HomeOpeners is included with most CalHFA conventional 30-year, 40-year, and *interest only* PLUSSM mortgage programs that require mortgage insurance coverage. The HomeOpeners program covers all or a portion of your required monthly mortgage loan payment, including principal, interest, taxes, and insurance, up to \$2,500 per month, for a maximum of six monthly mortgage payments. The payments will be made directly to the servicer of the mortgage loan. HomeOpeners protection begins on the date your loan closes and lasts up to five years, provided the mortgage insurance coverage on the loan remains in force.
